Since 1977, the White Bear Area Emergency Food Shelf has served as a critical resource for families experiencing food insecurity in the White Bear Area.

On any given month in 2019, over 1,200 families received food and support from the White Bear Area Emergency Food Shelf. All services are made possible by a generous community who gives of their time and resources to support neighbors struggling to make ends meet.

Thank you for your continued support as we work to eliminate barriers that traditionally limit access to healthy food for families living on a fixed or low income.

**Our Vision:**
End food insecurity for our neighbors in the White Bear Area.

**Our mission is to provide food and support to our neighbors in need in partnership with the communities of the White Bear Area.**

1 in 8 children in Minnesota struggle with hunger. Nearly 30% of children enrolled in the White Bear Lake Area School District qualify for free or reduced lunch. Some WBL schools are as high as 70% eligible. Each week, 317 Kid Packs are delivered to White Bear Lake Elementary schools. Each Kid Pack includes two breakfast, two entrée, and four snack items for students over the weekend when school meals are not available.

In an effort to better reach older children struggling with hunger, the WBAEFS established on-site food pantries at each middle and secondary school in the district. The pantries allow students to choose their own food while providing a direct connection to school staff and the food shelf.

**Mobile Markets**

A mobile market truck is shown parked in a parking lot. A sign reading "Century College: Your Bridge to Success" is also visible. The truck has a sign on the side displaying "White Bear Area Emergency Food Shelf" with contact information and a website: [whitebearfoodshelf.org](http://www.whitebearfoodshelf.org).
COMMUNITY RESOURCE SUPPORT

In an effort to better meet the ongoing need of our neighbors, WBAEFS staff and volunteers are available to connect neighbors to resources for food support, housing, energy assistance, job support, legal advice, and other support as needed.

Each day the Resource Team connects with 30% of Our Neighbors, guiding them to additional community resources.

Each month 136 Neighbors are connected to new resources.

In 2019, 619 NEW Families were serviced and connected.
EMERGENCY FUND

The White Bear Area Emergency Food Shelf’s Emergency Fund provides a once-in-a-lifetime grant to individuals experiencing an unexpected financial crisis. A collaborative effort between local White Bear Area churches, civic groups, and the food shelf, the WBAEFS Emergency Fund is used to help families recover from a short term financial setback related to rent, utilities, car repair, or prescriptions.

* Grants are paid directly to the landlord, utility company, mechanic, or pharmacy on behalf of the neighbor experiencing crisis.

Melissa received her electric bill that had a growing overdue balance. She was afraid it would get shut off if she didn’t pay it off soon. Melissa is a single mom of two kids and the child support money she was expecting had stopped being paid a few months prior. The Food Shelf encouraged her to meet with her county caseworker to reestablish child support funds and in the meantime was able to assist her in paying off the bill through our Emergency Fund.
VOLUNTEERS

We simply could not do what we do without the help of our volunteers! In 2019, over 500 individuals gave of their time, talents and resources to help their neighbors. Volunteers provide the labor and love needed to sort food, stock shelves, make appointments, rescue food, and assist our neighbors while they shop.
