

# COVID-19

- **City of White Bear Lake** – In August 2020, the White Bear Lake City Council adopted the following community-based grant programs using funds available through the Federal CARES Act. If you have been financially impacted due to the pandemic, the time to seek assistance is now while funds are available. Some programs are available on a first come, first served basis while others have a limited applications period. Check back often as program information is being updated on an ongoing basis. To find specifics or to apply, visit: <https://www.whitebearlake.org/ourcommunity/page/cares-relief-funding-apply-today>
- **Ramsey County** – With the growing effects of COVID-19 on the community, Ramsey County has established new community resources available on their website. Visit <https://www.ramseycounty.us/covid-19-info/community-resources-0> for the wide range of services and support available including testing sites.
- **Hennepin County** – Visit [COVID-19 response | Hennepin County](#) to see the county's responses and resources.
- **State of Minnesota** – View more about COVID-19 from the Minnesota Department of Health, the Governor's Stay Safe Order, and frequently asked questions, or get help and volunteer to help at [COVID-19 information and resources for Minnesotans / COVID-19 Updates and Information – State of Minnesota \(mn.gov\)](#).
