

Legal Assistance

- **Immigrant Law Center of MN**– Offers legal advice and full legal representation to eligible immigrants and refugees on immigration-related cases.
- **Mid-Minnesota Legal Aid**– Provides free civil legal services and advocacy to people with low incomes, seniors, and those with disabilities. Aims to help Minnesota citizens gain access to their basic rights, such as safety, shelter, food, health care, and education.
- **Volunteer Lawyers Network** – These volunteers protect the rights and property of thousands of clients every year by advising them at legal clinics, drafting legal documents, representing them in court or otherwise supporting them in their pursuit of justice. We work with partners in immigrant, refugee, Indigenous, faith and LGBTQ+ communities, and programs that serve previous offenders, survivors of domestic and sexual violence, people experiencing homelessness, youth and many more to ensure our services are available to the people who need them most.
