# 2021 ANNUAL REPORT

White Bear Area  
Food Shelf

Since 1977, the White Bear Area Food Shelf has served as a critical resource for families experiencing food insecurity in the White Bear Area.

The pandemic over the past two years has contributed to historical rises in food insecurity, and our community is no different. On any given month in 2021, over 1590 families received food and support. That is a 30% increase from the number of families we were supporting in 2019.

Thank you for your continued support as we work to eliminate barriers that limit access to healthy food for families living on a fixed or low income.

*Our mission is to provide food and support to our neighbors in need in partnership with the communities of the White Bear Area.*

*Our vision is to end food insecurity for our neighbors in the White Bear Area.*

# KIDPACK & SCHOOL PANTRIES

- The KidPack Program provides food for any elementary student in the WBL School District over the weekend. Many kids rely on meals the schools provide throughout the week but go hungry on the weekend. Kidpacks help bridge that gap.
- The Food Shelf has pantries in every junior or senior high in White Bear Lake. The pantries allow students to choose their food while providing a direct connection to school staff and the food shelf.
- The KidPack and Pantry Program continued throughout the pandemic. In the spring of 2020, with the expanding need for KidPacks, the City of WBL and WBL Rotary stepped in to help. In fact, for several weeks Kidpacks went from averaging 300 a week to 750.

- Delivery boxes consist of 75% of fresh vegetables, frozen meats, and delicious deli items that are matched with the needs of the neighbors.
- The boxes are delivered by our partners at Newtrax 5 days a week.

# VOLUNTEERS

At the start of the pandemic, the Food Shelf paused our volunteer program for several months and the staff took on the everyday roles to keep the food shelf running. It soon became evident that we simply could not do what we do without the help of our volunteers! Volunteers provide the hard labor needed to sort food, stock shelves, rescue food, and assist our neighbors with care. We were so excited to welcome them back in the fall of 2020 and for their hard work in 2021.
