

Dear friends,

2024 was a historic year for the White Bear Area Food Shelf. On January 22, Community Market opened its doors and welcomed neighbors inside to shop for free, fresh groceries.

Even as we expanded our services by opening a second location and welcoming neighbors back to in-person shopping, food insecurity continued to rise. At the White Bear Area Food Shelf everyone is welcome and can visit as often as needed. We are here with fresh, healthy, and culturally connected food to ensure everyone in our community has enough to eat.

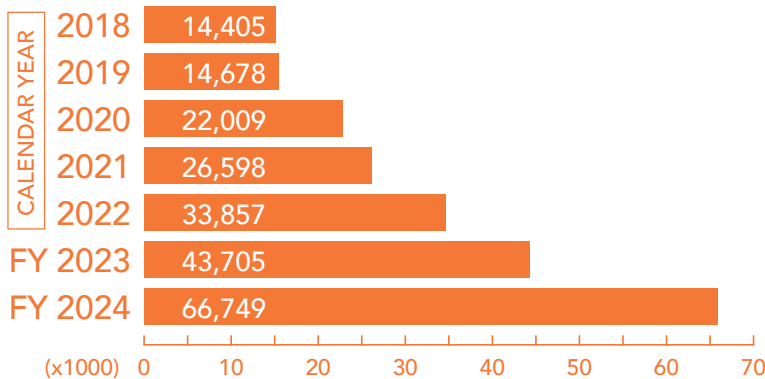

Our volunteers, donors, and community partners are at the heart of everything we do. Whether you host a food or fund drive, support a community event, or give individually, your kindness helps ensure our neighbors have the food they need. We are truly thankful for your continued support of the food shelf.

Opening Doors for Our Community

During the COVID pandemic the food shelf moved to a Curbside Pick-Up at its main location. This model proved to be efficient and popular serving four times the number of visitors. Even after COVID, many neighbors wanted the Curbside Pick-Up to continue, but the food shelf also wanted to get back to in-person shopping. So it pursued a new location for a new model of improved food access.

Community Market welcomed visitors for in-person shopping on January 22, 2024. Based almost entirely on food rescued from nine local grocery stores and supplemented by fresh produce and culturally connected staples, Community Market is a walk-in corner market style distribution model. Offering frozen meat, fresh produce, bakery, deli, and spices four days a week, neighbors are invited to shop for items that fit their dietary and cultural needs without a formal intake process.

This new location also offers community partners office space to provide wrap-around services onsite. Ramsey County financial services, St. Andrew's Community Resource Center, Northeast Youth and Family Services, Second Harvest Heartland SNAP and CFSP Outreach, and Ramsey County Women, Infant and Children (WIC) all met with shoppers to connect them with multi-dimensional support.

"I love that we are feeding neighbors and preventing waste." [Marcella—volunteer]

Nearly 20,000 visits were made to the Community Market in 2024 and **over 500,000 pounds of food** was rescued and redistributed to our community.

Coming Together When Needed

At the Curbside Pick-Up program, **932,284 pounds of groceries** were distributed to more than 113,000 neighbors. Visitors choose from up to 60 items including frozen meats, fresh produce, dairy, dry goods, pet food, diapers, and hygiene items.

Mobile Markets bring food into the community in pop-up markets at senior apartment buildings, schools, parks, and faith communities. In 2024, **24% of the neighbors served at mobile markets were seniors.**

In 2024, **small meals and snacks were placed in the backpacks of 300 elementary students.** KidPacks help youth in the White Bear Lake Area School District bridge the gap from free school meals over the weekend.

Events

GIVE A GOBBLE – Local businesses come together to provide all of the ingredients for a traditional Thanksgiving meal. This year 786 turkeys and all the fixins were distributed!

BEARLY OPEN – The most Minnesotan event ever! This annual Golf on Ice, Community Dance, and Silent Auction weekend of events raised \$35,690.

FOOD SHELF SHORTEST MARATHON – The ONE BLOCK marathon which delivers a carbo-load of White Castle hamburgers, “runners” of all ages and abilities, and t-shirt bragging rights raised \$13,876.

Volunteers

Thank you to all the dedicated volunteers who make this abundant support to our community possible. When the need in our community increases, so does the community response. Volunteers gave 18,237 hours to sorting food, picking up food rescue, packing bags, helping at fundraisers, serving on the board, and distributing food. That’s a 46% increase from last year!
